

Stonebridge Lofts - Existing Current Debt Statement

Document Role

This is an existing/current debt context document. It is separate from proposed acquisition financing.

Current Debt Terms

Field	Source Value
Current Outstanding Balance	\$6,800,000
Interest Rate	4.85%
Amortization Remaining	24 years
Monthly Payment	\$39,250
Maturity Date	2029-11-01

Limitations

Display as current/existing debt context only in launch-mode Acquisition Memo unless the current product doctrine explicitly supports additional debt calculations.

Keep this document separate from Stonebridge_Assumptions.pdf proposed acquisition financing.

Do not produce refinance capacity, DCF, waterfall, equity return, or final recommendation from this document.
